

## Physical Therapy for Parkinson's Disease

**Make an appointment with Dr. Tara Pandiscia today!**

What does physical therapy for Parkinson's Disease at Restorative Therapy Co. look like? It looks like walking better, picking up your feet and swinging your arms more naturally. It looks like feeling empowered to get outside and walk for exercise without fear. Physical therapy helps you move BIGGER and BETTER!

Check out this video of a real RTC client with Parkinson's Disease to see her tremendous improvement after physical therapy with Dr. Tara Pandiscia. These before and after clips were taken less than 2 weeks apart!

If you or a loved one has Parkinson's Disease or difficulty walking, come in to see Dr. Tara Pandiscia at Restorative Therapy Co for an evaluation.
